Work Experience:

2022 - present: Consultant, EDGE Veterinary Vaccines Consulting Group

2007 - 2022: Senior Manager/Team Leader, Regulatory Compliance, Zoetis Global Manufacturing and Supply. Served as the Primary Zoetis Inc. Liaison with USDA-APHIS-VS-CVB from 2000 to 2022. Communicated and resolved issues and influenced the regulatory environment. Responsible for: ensuring all product licenses and associated regulatory documents were in compliance with federal regulations, interpretation of current and proposed agency regulations and guidelines, CVB correspondence regarding manufacturing issues and market actions, product complaint investigations, product stability monitoring, annual product reviews, facility documents, support of new and existing international registrations and the maintenance of five (5) DEA registrations. Served as the Zoetis Inc. representative to the Veterinary Biologics Section, Animal Health Institute from 2002 to 2022, and served as the Chair in 2006 and 2014.

2000 - 2007: Associate Director, then Director, Biological Regulatory Affairs, Veterinary Medicine Research and Development, Pfizer Animal Health. Responsible for: ensuring all product licenses and associated regulatory documents were in compliance with federal regulations, interpretation of current and proposed agency regulations and guidelines, CVB correspondence regarding vaccine development projects, including the support and submission of pivotal licensing studies. Led and participated in multiple vaccine project development teams.

1999 – 2000: Manager, Biological Regulatory Affairs, Pfizer Animal Health. Responsible for the management of regulatory projects associated with biological livestock products.

1994 to 1998: Senior Technical Services Veterinarian, Pfizer Animal Health. Responsibilities included: the design and conduct of market support field studies, responding to product inquiries and complaints, and providing technical support.

1990 – 1993: Associate in a three-veterinarian mixed animal practice in Plymouth, NE.

1988 -1990: Resident in Clinical Preventive Medicine/Production Medicine at Iowa State University College of Veterinary Medicine.

1985 – 1988: Self-employed in a two-veterinarian practice in Bloomfield, NE.

1983 – 1985: Associate in a five-veterinarian practice in Lemars, IA.
